

During a WebEx meeting you can make any meeting participant the Presenter (Also known as "passing the ball"). Any Presenter can pass the ball to make any meeting participant the Presenter.

To make another participant the Presenter, perform one of the following:

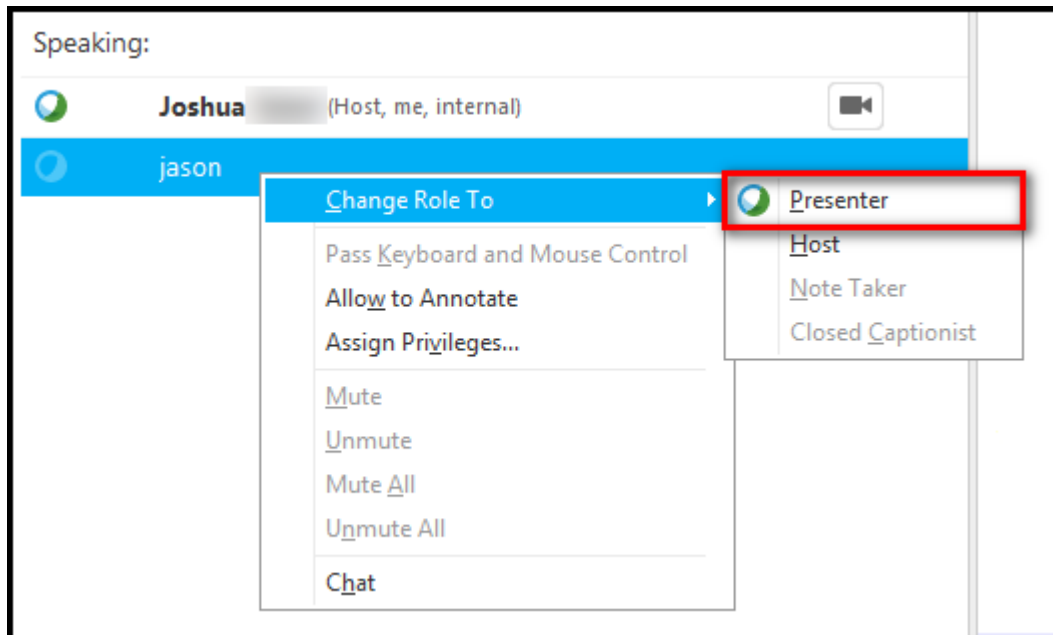

**Option 1:**

Drag the ball from the current Presenter to the desired participant

**Option 2:**

1. Right-Click on a name from the Participants list.
2. Select **Change Role to**.
3. Click on **Presenter**.

**Option 3:**

1. Click on the desired participant from the Participants list.
2. Click **Make Presenter**.

Speaking:

**Joshua** (Host, me, internal)
