

Use the touch panel to type in the full SIP address.

Note: This is recommended for External Collaborators using Video Conference Systems outside of NIH.

1. Select **Call** from the main menu.

2. Using the touch panel, type in the full SIP address. The SIP address consists of the specific meeting number and "@nih.webex.com" (for example: 658952147@nih.webex.com).

3. Press **Call** to be connected.
